FACILITIES

Smart Class Rooms

To improve the academic performance and skills of the students, all our class rooms are digitized with short throw projectors and laptops.

Lab Facilities

There are full fledged labs at the School for Physics, Chemistry, Biology , Information Technology and Mathematics. In addition to these, labs for Work Experience and Computer Science are arranged for Senior Secondary Section.

Library and Internet Centre

The school has a well organized library with 10000 plus books for students to read and grow. Limited Internet facility is available on campus. The pupils can avail of the facility with the permission of the Principal, against payment of the prescribed charges.

UNIFORM

Wearing of uniform is compulsory for the students on all working days.

10

Presently, hostel facility is available only for girls (V Std onwards). Parents should seek admission to the hostel at the beginning of the academic year itself. The application form can be obtained from the Administrative Office.

The rules and regulations pertaining to the hostels are given in the 'Hostel Manual'. Parents are requested to obtain a copy thereof and keep it with them for their information and guidance.

Candidates who are from places more than 50 km away from the school must have a local guardian within 10 km of the campus.

A hosteller suspended from hostel shall not enter the hostel or enjoy any facility she had as an inmate.

Moreover, hostel being a part of the school, suspension from hostel might lead the ward to be kept out of the class during the period of suspension.

Hostellers will be provided food strictly as per the mess menu. The present mess fee is valid for six months. As the price of commodities increases day by day, a hike in mess fee can be expected after six months.

2.

DAY BOARDING

For security reasons, students are strictly banned from going out of the campus during working hours. Lunch is provided to day scholars on token system. Interested parents may approach the Administrative Office and make the payment in advance for 20 tokens at a time. They are allowed to use the tokens on any working day during the academic year.

Since students are not allowed to go out of the campus during working hours, they have to bring lunch from home.

The School gives great importance to discipline and good behavior of the pupils. Indiscipline in any form will be dealt with severely.

Parents are requested to fully co-operate with the school authorities in ensuring proper behavior and conduct of their wards inside and outside the school.

13.

DISCIPLINE

Rules & Regulations of the institution are available in the Pupil's Diary.

CO-CURRICULAR ACTIVITIES

4

Various co-curricular activities and competitions are organized in the school with a view to develop physical, mental and cultural activities of the pupils through multifarious programmes. While regular moral studies satisfy the spiritual need of the students,

school parliament sessions make them take first steps towards responsible citizenship.

In addition, a day in a week is set aside to provide professional training in Sports

& Games, Arts, Painting, Music and Dance.

Parents are requested to ensure that their wards attend such programmes even if they are held outside the campus, after working hours or on holidays. A part of the expenses of such programmes may also have to be met by the parents.

15.

NOTE

The school authority has limitation in controlling private vehicles carrying students to the campus. So parents must ensure that their wards are safe on their journey from home to school and back.
